

4-Post Lift / 9,000-lb. Capacity / High Lift / Extended Length SKU# 5175257

BUILT TOUGH. BUILT SAFE. BUILT DEPENDABLE. QUALITY AND PERFORMANCE YOU CAN RELY ON.

For this lift, we took all the things you love about the GP-9F—ample drive-thru clearance, compact design and high weight capacity—and simply added more to the frame! We increased the length of this car lift by 24 inches while adding 12 inches of height to the columns.

The GP-9XLT accommodates long-wheelbase vehicles and provides a full extra foot of lifting height, making it ideal for taller techs. This unique four-post lift takes the best of two worlds, combining the rugged and dependable nature of hydraulic power with the simplicity and safety of mechanical operation.

The GP-9XLT's rugged design sets it apart from other similar-looking lifts out there. With boxed-steel columns constructed from tough welded-steel, the support structure of this four-post lift is as strong and stable as any other commercial-grade lift's structure.

This lift will raise and hold up to 9,000 lbs., so it's no surprise that techs can do more in less time with GrandPrix in their shop. Simple controls offer a level of precision that's only found among the very best products. You can expect flawless performance from your lift, no matter how often you use it.

All Accessories Included:

- Four quick-mount casters
- Lightweight-yet-tough polyethylene drip trays
- Mobile jack tray
- Lightweight aluminum approach ramp

A four-post lift assembly just isn't complete without the right accessories. Most other brands sell these accessories separately from the lift. To further ensure the safety of your vehicle, we include forward and rearmount hardened steel tire stops, as well as a set of hard-rubber wheel chocks.

FEATURES

- Fastened to the floor or free-standing
- Boxed-steel columns
- 12" x 12" baseplates, 5/8" thick
- 3/4" thick, automatic safety locks
- Secondary slack-cable lock system
- Welded-steel tread-plate runways
- Boxed runways for extra strength
- Stainless steel lifting cables
- 5-Year Warranty
